DEVILS LAKE FIRE DEPARTMENT

VACANCY ANNOUNCEMENT

POSITION: FULL TIME MAINTENANCE LT/CAPT

Summary of Work:

The full-time maintenance Lt/Captain performs numerous duties daily associated with ensuring the operational readiness of the fire department while also carrying out their assignments during calls for service and emergency operations.

The full-time Lt/Captain's main role will be to operate and maintain different types of fire apparatus, tools, and equipment of the FD. This is to include all manufacturers scheduled maintenance of all apparatus and equipment on each, yearly testing of SCBA's, scheduling annual pump testing and ladder testing. The role of the full-time Lt/Captain also includes combatting and suppressing fires, conducting rescue operations, responding to emergencies and other requests for assistance. Position shall also be able to perform building, rental, daycare, gas piping, and other types of inspections, should the need arise.

A full-time Lt/Captain must be able to perform the various tasks of their job and make critical decisions while under stress. The problems firefighters encounter often are mentally challenging and the work routinely requires strenuous physical exertion. Some examples of the conditions that are frequently encountered include high heat, smoke, confined spaces, heights, and a multitude of weather conditions.

A portion of the work requires taking part in training and frequently practicing job-related skills.

Position must successfully complete the Departments annual physical agility test.

Position: Grade 8/9/10 Salary: \$3,406 - \$5,351. The city also offers health, vision, and dental plan.

Must live with-in five miles of the extra-territorial limits of the City of Devils Lake

Job descriptions can be picked up at the Devils Lake Fire Department or Devils Lake City Offices. They are also available via email request to Nathanb@dvln.com.

Applications are available at the City Office, online at
