5-02-05.1. Sunday alcoholic beverage permit --Penalty.

1. Any local governing body may issue a Sunday alcoholic beverage permit to a qualified alcoholic beverage licensee licensed under this chapter or to a publicly owned or operated facility. For purposes of this section, “qualified alcoholic beverage licensee” has the same meaning as in section 5-02-01.1. A county may not issue a permit under this section to a retail alcoholic beverage establishment located within the geographical boundaries of a city.
2. The authority for issuing the permit rests solely with the local governing body. A permit may be granted only upon proper application to and approval by the governing body and must include payment of a fee determined by the governing body. A permit granted by the local governing body may be effective for more than one Sunday.
3. Under the permit, alcoholic beverages may be distributed and dancing may be permitted in the establishment or facility. A local governing body may permit dancing and the distribution of alcoholic beverages between the hours of twelve noon on Sunday and one a.m. on Monday. The general public may be permitted to participate in the consumption of alcoholic beverages distributed under the authority of the permit. The establishment or facility who granted the permit shall enforce the requirements of this section.
4. Any person who dispenses, sells, or permits the consumption of alcoholic beverages in violation of this section, or who furnishes information required by this section which is false or misleading, is guilty of a class A misdemeanor.
